

**VILLAGE OF WILLIAMSVILLE**

**2009 ANNUAL REPORT  
OF  
PLANNING COMMISSION  
TO  
VILLAGE BOARD**

The Planning Commission met four (4) times during the calendar year 2009 – February 26, March 18, September 24 and October 19.

The purpose of the February 26<sup>th</sup> meeting was to review final proposed changes to the Zoning Ordinance and Subdivision Regulations for the Village of Williamsville. The date of the Public Hearing was set to present the proposed revised Zoning Ordinance and Subdivision Regulations to the public for comment.

The purpose of the March 18<sup>th</sup> meeting was to hold the required public hearing on the proposed revised Zoning Ordinance and Subdivision Regulations for the Village of Williamsville. There was one guest present – Kevin Kuhn, Village Engineer. Motions were made to recommend that the Village Board adopt the proposed revised Zoning Ordinance and Subdivision Regulations as presented.

The purpose of the September 24<sup>th</sup> meeting was to review the Revised Preliminary Plan for Taylor Park and to discuss High Speed Rail.

Information on possible changes to speeds and numbers of trains passing through the Village of Williamsville was discussed.

The Revised Preliminary Plan for Taylor Park was reviewed with several items needing to be corrected.

The purpose of the October 19<sup>th</sup> meeting was to review the Revised Preliminary Plan for Taylor Park and to discuss High Speed Rail.

The revised Preliminary Plan for Taylor Park was approved. Village President Yokley presented his concerns by letter regarding high speed trains going through the Village. He asked the Commission members if they had any additional concerns. The Planning Commission thought President Yokley's comments covered all of their concerns.

Submitted by the Planning Commission for the Village of Williamsville this 4<sup>th</sup> day of March, A.D., 2010.
