

Village of Williamsville
Direct Debit Authorization

I authorize the Village of Williamsville to debit my bank account on the 20th of each month (or the next business day if it falls on a weekend or holiday) for the water and sewer utility payment. This authorization extends to all future payments, and I understand that I must notify the Village in writing to withdraw my authorization. I also agree to notify the Village if my bank account information changes. I accept all responsibility for late payments if I fail to so notify or maintain sufficient funds to cover the utility charge and understand that I will be removed from this program immediately.
