**Minutes:** The minutes from the August 25th meeting were distributed to the members.

**Meeting:**

- Fall Festival
  - It was decided to not ask Augie for any portion of his profit for the event as we do not do this with other entities such as Cooper's Bistro. Instead, Augie has offered to sponsor the storytellers for the event. He also offered to purchase Halloween candy for the kids.
    - Storytellers are Dr. Ted Morrissey from the high school English department and a professional storyteller that is an associate of Val Patterson.
    - Cost will be \$60 for the professional storyteller and a \$25 gift certificate for Ted, all sponsored by Augie and Bella Trattoria
  - Beer Garden
    - Area is TBD – either between the Old Blue Cat and the hair salon or between Bella and the Post Office
    - Need to establish whether or not there has to be a designated area for open alcohol and what to do about tables and chairs
  - Route
    - A map of a tentative route was given to members and changes were discussed at the meeting.
    - Val Patterson and Deb Larson will decide on the final route and present at the next meeting
  - Advertising
    - Williamsville State Bank will place a large ad in the Sun Times two weeks before the event and a smaller ad the week before the event.
  - Signage for parade route
    - Going to ask the Williamsville PD about options for this
- Next meeting is 10/3/15 at 9:00am at the Old Blue Cat
