President Yokley read a letter he is proposing the Village send to Congressman Aaron Schock, Senator Dick Durbin, and Senator Mark Kirk. His letters show the Village's support of our local Post Office and our support for our Postmaster, Dawn Thompson. Mrs. Thompson has been with the Post Office for seventeen years. Her professionalism and hard work has an impact in our community every day. Not only will hours of the Post Office be reduced, Dawn Thompson's salary will be reduced. Therefore,

not only is she being penalized for doing a great job, but she's being expected to perform the same amount of work for less money and in a shorter timeframe. President Yokley respectfully requests that these individuals, receiving these letters, reconsider the cuts to the U.S. Postal Service which is affecting postmasters across the State of Illinois and the country.

The regular board meeting of the Board of Trustees for the Village of Williamsville adjourned at 6:40 p.m.

Respectfully Submitted By
Karen Humphres, Village Clerk
