Linda obtained two bids and design options for the boulevard project along Main Street.

- Hilltop Nursery
 - \$2,987.10 – no discount
 - 24 Double play Spirea
 - 24 Green Velvet Boxwood
 - 24 Lo & Behold Butterfly Bush
 - 26 Feather Reed Grass

- Pleasant Nursery
 - \$2,015.00 – with discount
 - 163 Liriope – Variegated
 - 7 Lilac Dark Purple
 - 42 Karl Forester
 - 34 Coreopsis
 - 36 Aster Woods
 - 7 Rose Drift Popcorn

- It was noted that the current plants needed more water and Linda stated she would contact Kent and Tom with the village
- It was suggested to get prices on including some evergreen into the design from Pleasant Nursery
- We will also mulch, but the village would cover the cost of that
- It was noted we have plenty of money to complete the design and would have money left over as well
- The plan from Pleasant Nursery was the one accepted
- We will plant in June and hope to be done in July
